1092	CHOPP FRANK	2012-10-25	\$250	G	SOLID GROUND	COMMUNITY SERVICE		Social Services / Housing	http://www.solid-ground.org		X			Mr. Chopp's occupation is not really "community service" unless you use a very broad definition of that term. Chopp is a career politician. However, he told me that "community service" was the closest category he could find on the bio form. Mr. Chopp is also a "very part time" employee of Solid Ground, which gets grant money from Seattle, Washington State, King County, and the feds.
