Subject: Identifying Eastside Congregations Willing to Host Tent City IV

Hi Scott,

I'm still doing some work to identify a property that could host Tent City IV. I've pulled together a list of congregations that have hosted encampments in the past. Can you please take a look and let me know which of these would be suitable for Tent City IV? If some are inappropriate it would be helpful to know which ones and why. Once you let me know which ones are acceptable I'm happy to work w/ the congregations and Tent City IV to move things along.
