Subject: September 29 Turn Out!

Hello folks!

We are gearing up for the Safe and Healthy Communities – Next Steps event on September 29! I wanted to email each of you and ask for support in turning people out for the event to ensure our community conversations are productive and meaningful. Please use the language included below and feel free to adapt it as necessary for your listserv. I also attaching the event flyer so please include that in outreach. And lastly, please also use the Facebook [event page](#) to encourage attendance.

Councilmember Mike O'Brien is reconvening neighbors and community members to discuss the solution proposals formulated at the July 29 Safe and Healthy Communities Public Forum. For information about that community discussion and solutions proposed, check out the Councilmember's [blog](#).

This next community conversation, Safe and Healthy Communities – Next Steps will be on Thursday September 29 from 6-8pm and will be located at the Nordic Heritage Museum, which is located in Ballard at 3014 NW 67th Street. You can check out more information on the Facebook [event page](#).

The Safe and Healthy Communities – Next Steps event will begin with an introduction from the Councilmember and descriptions of those solutions, which aim to address safety and public health issues. Next, the audience will participate interactively and in small work groups to provide feedback and input on the proposals. There will also be opportunity for new ideas to be shared for community issues.

Participation in the July event is not necessary as all are welcome and encouraged to attend and contribute. We also hope you will have the opportunity to invite your friends, family, and neighbors, and you can distribute the event flyer attached to this email. RSVP not required but indicating your attendance on the Facebook [event page](#) is suggested.

For any questions relating to this work or the September 29 event, please reach out to the Councilmember's Office directly at 206-684-8800.

Thank y'all and let me know if you have any questions!! Also a quick reminder for folks confirmed to meet next week that I will see y'all Wednesday September 21 at 10am here at City Hall.

Jesse Perrin, MSW

Legislative Aide to Councilmember Mike O'Brien

Seattle City Council

206-684-8800
